

THE ILLINOIS FREE TRADER.

Democratic Meeting in Grundy co.

At a meeting of the democratic voters of Grundy county, held pursuant to notice at the house of Wm. E. Armstrong, on the 20th inst., for the purpose of electing two delegates to represent Grundy county in the gubernatorial convention to be held in Springfield on the second Monday of next December, Geo. KIRSTED was called to the chair and P. P. CHAPIN appointed secretary.

On motion, it was

Resolved, That the chairman appoint three persons as a committee to report to the meeting the names of some suitable persons to be voted for as delegates to represent this county in said convention.

The chairman then appointed Charles Williams, James Lafferty, and Thos. Cor nell as such committee.

Said committee then retired and after due deliberation reported the names of G. W. Clarke and Wm. E. Armstrong, who were then unanimously elected by the meeting.

On motion, the following resolutions were unanimously adopted:

Resolved, That we regard the fallen credit of the state with feelings of the deepest regret.

Resolved, That we consider the success of the Illinois and Michigan canal as involving the true interests of the state, and paramount to all others.

Resolved, That in the selection of persons to fill the high and responsible stations of governor and lieutenant governor, we shall not be influenced alone by the consideration that they are firm and uncompromising democrats—that they are men of acknowledged integrity and ability; but, also, that they are men who are willing to exert themselves in promoting the prosecution and speedy completion of the Illinois and Michigan canal, and who will employ any means to effect that object short of those which require an absolute sacrifice of honesty.

Resolved, That either delegate be authorized and empowered to fill any vacancy that may occur by the nonattendance of either.

Resolved, That the proceedings of this meeting be signed by the officers and published in the Ottawa Free Trader and Juliet Courier.

The meeting then adjourned.

PROSPECTUS

of the sixth volume of the
CHICAGO DEMOCRAT.

In consequence of the importance of the approaching election, which involves the controlling power in this state for two years, and will have an important bearing upon its political complexion for a long time, it has been thought best to make an effort for the more general diffusion of democratic sentiments. For this purpose we issue a prospectus for our sixth volume, which will commence on the 31st inst., and it will be for the interest of every one who has any regard for the permanence of democratic institutions, and, in particular, for the interest of those who expect to be candidates for any office, however humble, in August next, to labor for its extensive circulation in every precinct in the state, as it will contain a full and clear account of the political and social condition of the country, and strenuously advocate their election.

After an acquaintance of five full years with its present proprietor, the public can find a new exposition of the sentiments which he imbued in the nurture and admonition of his childhood, and which he cherishes more dearly with each additional day of his existence. The "Chicago Democrat" has never failed to advocate, whether in the full side of a popular cause or in the vindictive condemnation of a popular enemy, the principles of democracy, and always with a stanch adherence to his plighted promises. To his further and fuller advocacy he promises to devote himself for the coming year, and it is his wish that his patronage may be so increased as to anticipate him in making important and contemplated improvements.

But, as a publisher is limited in his power to keep his name before the public, he must depend upon every occasion and question, whilst his pride and pleasure will prompt him to improve himself as fast as his pecuniary circumstances will warrant.

The coming session of congress and probably of our state legislature, with the extraordinary events of the day, will render a newspaper requisite for every one who takes interest in the affairs of the nation or the world, and also in the improvement of his domestic circle.

News.—Three dollars per year, payable in advance, or in installments of one dollar each.
